The proposed Cashan substation will be connected to the existing Hekpoort substation via a 132KV powerline which runs approximately 9 km in a North Easterly direction from Cashan into the North West Province.

Proponent: Eskom Holdings SOC Limited (Eskom)

Project Location: The proposed construction falls within both the West Rand District Municipality (Gauteng) and the Bojanala Platinum District Municipality (North West). The Local Municipalities include the Mogale City Local Municipality (Gauteng) and the Mafikeng Local Municipality (North West).
