Dear Stakeholder,

INVITATION TO PROPOSED CASHAN SUBSTATION AND POWELINE OPEN-HOUSE

DEA REFERENCE NUMBER: 14/12/16/3/3/1/1273

SRK Consulting (Pty) Ltd (SRK) has been appointed by Eskom to conduct a Basic Assessment (BA) process for Environmental Authorisation (EA). The proposed project includes the construction of a substation in Cashan and a 9 km powerline to the existing Hekpoort substation. The proposed Cashan substation falls within the Gauteng Province and North West province and is intended to alleviate the pressure exerted on the existing Eskom infrastructure in the area. The proposed Cashan substation will be connected to the existing Hekpoort substation via a 88KV powerline which runs approximately 9 km in a North Easterly direction from Cashan into the North West Province.

Stakeholders are hereby invited to an Open-House, where they will be provided with an opportunity to raise their comments regarding the Proposed Construction of the Kashan Substation and Additional 88 kv Power Line to the Existing Hekpoort substation by Eskom, North West. Posters and Maps will be displayed and Stakeholders will have an opportunity to meet and interact with the Project team.
