

**EMERGENCY PREPAREDNESS PLAN
2013 - 2014
NORTH WEST OPERATING UNIT**

In terms of EPC 32-95, it is the responsibility of the Senior Supervisor or next in charge to report an environmental incident to the Environmental Manager (EM) of the Operating Unit. This must be done by sending an SMS to the EM on 083 9666 104 within 24 hours of the incident and then after submit a flash report detailing the nature of the incident.

Environmental Resources to be contacted:
