

9 December 2014

Dear Sir / Madam

Application for postponement of compliance timeframes from certain requirements of GN893 – Minimum Emissions Standards (MES), for Natref

We would like to thank all stakeholders who participated in the further commenting process in respect of Natref's additional postponement application, previously the subject of an exemption application.

Submission of Final Additional Postponement Applications

A Final Additional Postponement Application has been submitted to the National Air Quality Officer (NAQO) for National Petroleum Refiners of South Africa (Pty) Limited's operation in Sasolburg.

Availability of Final Motivation Report for public comment

The Final Motivation Report in support of additional postponement for the above-mentioned Natref operation is available for public comment from **Monday 5 January, to Friday 30 January 2015**, which exceeds the prescribed twenty one (21) days and takes into account the period of 15 December to 5 January, in which public consultation may not take place.

Stakeholders can submit comments directly to the NAQO at the contact details provided below:
